

RECYCLING AT EVENTS!

Sanipac has partnered with many events this year to provide comprehensive recycling. Our goal is to create a consistent look and feel for each event in the area to promote awareness and engage our community towards greater sustainability. This year at Track Town 12, the Lane County Fair, U of O Athletic Events and many others, please take note of our new 3 bin system to conveniently collect recycling, compost, and trash items. Thanks for "pitching in" and have a great time!
