

Sanipac® Recycler

WINTER 2012

Did you know that you and Sanipac drivers worked together to provide a bicycle to an underprivileged child? Every year Sanipac focuses our holiday party on building bikes to donate to charities that help children in our community. Our employees raise money which the company matches. This year we were able to build over 100 bikes which were delivered to Jasper Mountain, The S.A.N.T.A. Project, The Tree of Joy, and Toys for Tots!

Thanks so much for your support of Sanipac all year. It's all of us working together that makes this a great place to live. We look forward to serving you again in the new year.
