

# The Sanipac® Recycler

WINTER 2013

*It's all of us working together that makes this a great place to live!*

## Bike Build: Doing Good In Our Community

Each year Sanipac employees, customers, and vendors work together to help create a special holiday season by providing bicycles to underprivileged children in our area. This year we all made a commitment to outpace previous years and wanted to thank all of you for helping us surpass our goals! In total 250 children will be receiving bikes this year thanks to the generosity of all involved!

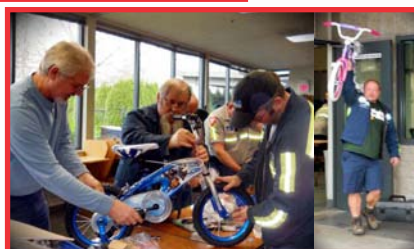

Bikes are built by Sanipac employees and delivered to wonderful charities in our community including Toys 4 Tots, The S.A.N.T.A. Project, Jasper Mountain, Creswell Relief Nursery, The Foster Parent Association and Saint Alice Catholic Services.

We would like to thank the following companies for donating to the bike build: DSU, Hays Oil,

Brattain International, Tyree Oil, Fleet Pride, Walter E Nelson, Eugene Fastener, Otts Friction Supply, General Equipment Co, Lube it USA, Superior Tire and Western States Fire Protection.

A special thanks to Sanipac driver Gerald Schultz for winning the contest of raising the most money for the bike build. Great job Gerald!

Thanks again to all involved. If you would like to take part in next year's bike build just give our office a call and we'll let you know how you can help. It's all of us working together that makes this a great place to live!  
-Your Sanipac team.
