UNIVERSITY OF OREGON

**Sanipac** and the **University of Oregon** have partnered together to ensure football games are as **GREEN** as possible. You may have noticed our three-bin system throughout the Moshofsky Center, or the trash and recycle containers placed throughout the stadium. What you might not realize is during the season those carts help divert over **80 tons** of recyclable materials from the landfill!

*Together with your help we are keeping Autzen green for future generations.*

*Thanks for recycling at the game!*
