Winter 2014

Commercial Edition

## Bike Build: Doing good in our Community

Each year Sanipac employees, customers, and vendors work together to help create a special holiday season by providing bicycles to underprivileged children in our area. This year we all made a commitment to outpace previous years and wanted to thank all of you for helping us surpass our goals! In total 231 children will be receiving bikes this year thanks to the generosity of all involved!

Bikes are built by Sanipac employees and delivered to wonderful charities in our community including Toys 4 Tots, The S.A.N.T.A. Project, Jasper Mountain, Creswell Relief Nursery, The Foster Parent Association and Saint Alice Catholic Services.

We would like to thank the following companies for donating to the bike build:

The Printers Studio, Superior Tire, A1 Coupling, Applied Industrial, Big John's Towing, DSU, Eugene Fastener.

Thanks again to all involved. If you would like to take part in next year's bike build just give our office a call and we'll let you know how you can help.
