Bike Build: Doing Good In Our Community

Each year Sanipac employees, customers and vendors work together to help create a special holiday season by providing bicycles to underprivileged children in our area. This year was no exception. Safety is at the heart of everything we do, whether on route, at home or in the community. We want the children in our communities safe as well. In total 140 children will not only receive bicycles, but helmets as well thanks to the generosity of all involved!

Bikes are built by Sanipac employees and delivered to wonderful charities in our community including Toys 4 Tots, The S.A.N.T.A. Project, Jasper Mountain, Creswell Relief Nursery and The Foster Parent Association.
