

The Sanipac® Recycler

Fall 2015

Commercial Edition

Fall is here and with it brings football season!

UNIVERSITY OF OREGON

Sanipac and the **University of Oregon** have partnered together to ensure football games are as **GREEN** as possible. You may have noticed our three-bin system throughout the Moshofsky Center, or the trash and recycle containers placed throughout the stadium. What you might not realize is during the season those carts help divert over **80 tons** of recyclable materials from the landfill!

Together with your help we are keeping Autzen green for future generations.

Thanks for recycling at the game!
