

The Sanipac Recycle Art Challenge!

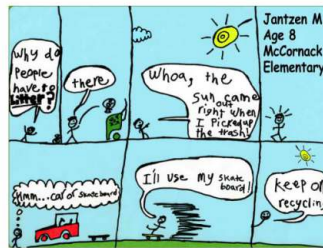

At the end of 2014 we asked elementary school students from all over Lane County to submit artwork promoting recycling to be displayed on the sides of a few of our trucks. The response was overwhelming, and although it was difficult, we picked 6 winners and 6 honorable mentions for the contest. Congratulations and thanks to all those who participated for showing your passion for recycling!

All students chosen received a gift certificate to the Maude Kerns Art Center and are featured in our 2015 Sanipac Calendar with proceeds going to the Children's Miracle Network. The 6 winners were also given a pizza party and donation to their classroom.

Thanks to all who participated and be sure to look for their beautiful artwork in your neighborhood for years to come!
