

MAKE-A-WISH[®]

Giving back to our community is something the Sanipac team takes great joy in. Over the last several years we have donated hundreds of bikes to the under privileged kids throughout our community as part of our annual bike build, Operation Christmas Promise.

While we are still going to build some bikes, we have shifted our focus to helping grant wishes through the **Make-A-Wish[®]** foundation.

The Make-A-Wish foundation exists to grant the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength, and joy. Currently more than 270,000 children in the United States and its territories have benefited from the hope, strength, and joy of experiencing their one heartfelt wish.

In the beginning of the year, we set a goal to help through the Adopt-A-Wish part of the organization.

Our intention was to help a local wish kid receive their one true wish. We are very excited to be reaching our goal of helping grant that wish this fall. We hope to grant additional wishes this winter. *We truly are making our community a better place to live... Every day!*

Need a Little More Space?

If you are overfilling your cart each week you may consider choosing a larger cart to avoid being charged for extra garbage.

You have the opportunity to choose the cart size and frequency that works best for you.

Our customer service representatives are happy to help discuss your garbage and recycling needs. We may be able to save you money by changing your service level.
