DOING GOOD IN OUR COMMUNITY

Each year Sanipac employees, customers and vendors work together to help create a special Holiday Season for the families in our communities that we are fortunate enough to serve. This year was no exception, and a year to be truly proud of. In addition to our annual bike build, we also raised money to adopt a second wish through the Make A Wish foundation of Oregon and also donated Thanksgiving dinners to five local families.

We could not have accomplished any of this without the dedication of our employees, vendors and generous customers. A huge thank you to the following businesses:

The Printers Studio, Superior Tire, PBS, Andreason's Cremation & Burial Services, Seaport International, General Equipment, Walter E Nelson, My-Comm, Pioneer Recycling, Fleetpride, Top Hand Glove, and Otto Environmental Systems.

Thanks again to everyone involved. You truly make our community a better place to live!
