

Thank you to all who participated in the 2017 Sanipac Charity Golf Tournament!

Your generosity is helping us grant wishes through the Make a Wish Foundation of Oregon and build bikes for our Operation Christmas Promise bike build.

Since 2016, we have been fortunate enough to assist in granting two wishes and are well on our way to granting our third wish. The wishes granted are for children in our communities that have a life threatening illness. With the wishes granted we are getting to bring these kids a ray of sunshine in an otherwise dark time of their lives.

Operation Christmas Promise is something our employees look forward to each holiday season. We spend the year raising money to buy unbuilt bikes. Then during our holiday party we come together as a team to build the bikes. The bikes are then donated to children's charities to be disbursed to underprivileged children throughout the communities we are fortunate enough to serve.

Together we are making our communities a better place to live.

Doing good in our community one wish, one bike at a time!
