

Although it is still winter, you may be thinking about pruning trees and shrubs, or maybe even trim up the yard a little. We thought that this may be a great time to refresh you on the types of material to put in your yard debris cart.

At Sanipac, we have a motto for what goes in the yard debris cart: "If it grows, it goes!" Following this motto answers the majority of questions around the dos and don'ts of yard debris recycling.

Your yard debris cart is for anything that grows above the ground, but please no dirt, rocks, pet waste, plastic bags or poison oak. The most frequent types of items placed in the cart are - plants, grass clippings, leaves, branches up to 4" in diameter, garden and fruit tree discards, bushes and flowers.

We are also happy to take seasonal items including; pumpkins, gourds, ears of corn and pine cones. Christmas trees and wreaths are welcome in the cart, as long as they are disassembled – no wire, flocking, decorations or ornaments.

If you have questions about an item, please call or email us, we are more than happy to help you!

Another great thing about the yard debris cart, you don't have to bag anything that goes in it! Simply put the yard waste in the cart and close the lid all the way for pickup.

If you plan on putting your yard debris cart out in early spring, please store it in a warm place the day before your pickup, so the contents do not freeze and remain in the cart on your pickup day. If the contents do freeze, please use a shovel to loosen the items so the cart is completely emptied on your pickup day.

## YARD DEBRIS RECYCLING

IF IT GROWS IT GOES

Doing good in our community one cart at a time

# INTRODUCING THE NEW SANIPAC APP!

Download for free.  
Now at the Apple or Android stores!

Check out the Waste Wizard at [sanipac.com](http://sanipac.com).

Get current information on all things recycling in the area as well as what can go in your carts. Also available on the App.

## ... The Sanipac Waste Wizard!

Type the name of a waste material and we'll tell you which bin it goes in.

Get current information on all things recycling in the area as well as what can go into your bins. Available at [Sanipac.com](http://Sanipac.com) or with the App!

## Haul-i-days

If your pick up day falls on or following one of these holidays, your pick up will be one day later ending with Friday's pick up being done on Saturday.

**New Years Day**      **Labor Day**  
**Memorial Day**      **Thanksgiving Day**  
**4th July**              **Christmas Day**

**Example:** Thanksgiving Day only affects Thursday & Friday customers

## Comingle Recycle Instructions: All Recycling Must Be Clean

Include **ONLY** the following items:

- **Flat Cardboard**
- **Paper**
- **Shredded Paper** - enclosed in a paper bag
- **Plastic** - jugs, tubs or bottles – NO lids
- **Metal** - food and beverage containers.

## Need a Little More Space?

If you are overfilling your cart each week you may consider choosing a larger cart to avoid being charged for extra garbage.

You have the opportunity to choose the cart size and frequency that works best for you.

Our customer service representatives are happy to help discuss your garbage and recycling needs. We may be able to save you money by changing your service level.

**Remember to Stop at the Top!**
