

SAFETY is at the heart of everything we do. Not only is it our number one value, but it is ingrained in our culture. The safety of our employees and the community is paramount.

Since beginning his career with Sanipac 30 years ago, Rick Thomas has demonstrated passion for his commitment to safety. *Rick has not been involved in a single automotive incident during his years of service; which is rare given the challenges he faces as a driver. He routinely operates a 25 foot long truck that weighs over 30,000 pounds while empty, as if it's a standard sized pickup truck.*

Not only does Rick operate his vehicle with ease throughout residential streets, he also displays genuine care for the customers he is fortunate to serve. Rick's genuine care for high quality customer service does not go unnoticed, as his customers often comment on his friendly wave and warm smile.

Recently Rick was recognized for his safe driving achievements, and outstanding customer service. *He was selected as the Waste Connections Western Region Driver of the Year. Lytx, formally known as Drive Cam, also recognized Rick as the Driver of the Year for the entire waste industry. Finally, Rick was most recently selected by the National Waste and Recycling Association as their Driver of the Year.* Each of these awards are lifetime achievement awards for a driver in our industry, and are rarely awarded to the same person.

In addition to the national recognition Rick has received, he is also highly respected among his peers. *Rick selflessly serves as a mentor in our Next Level Mentor Program. As a mentor, Rick coaches new drivers on safety and customer service, passing along valuable advice to our next generation of drivers.*

Thank you Rick Thomas for your commitment to safety, and for your outstanding customer service.

Doing good in our community

... The Sanipac Waste Wizard!

Type the name of a waste material and we'll tell you which bin it goes in.

Get current information on all things recycling in the area as well as what can go into your bins. Available at Sanipac.com or with the App!

Haul-i-days

If your pick up day falls on or following one of these holidays, your pick up will be one day later ending with Friday's pick up being done on Saturday.

- | | |
|---------------|------------------|
| New Years Day | Labor Day |
| Memorial Day | Thanksgiving Day |
| 4th July | Christmas Day |

Example: Thanksgiving Day only affects Thursday & Friday customers

Comingle Recycle Instructions: All Recycling Must Be Clean

Include **ONLY** the following items:

- Flat Cardboard
- Paper
- Shredded Paper - enclosed in a paper bag
- Plastic - jugs, tubs or bottles – NO lids
- Metal - food and beverage containers.

Need a Little More Space?

If you are overfilling your cart each week you may consider choosing a larger cart to avoid being charged for extra garbage.

You have the opportunity to choose the cart size and frequency that works best for you.

Our customer service representatives are happy to help discuss your garbage and recycling needs. We may be able to save you money by changing your service level.

Remember to Stop at the Top!
